To All AdCare Outpatients,

As a result of the COVID-19 pandemic we are trying to do everything we can to protect your physical health. As such, we are asking that if you are stable in your sobriety/recovery that you stay home as much as possible. This may mean reducing some time at one of our offices. Please discuss with staff any concerns or questions you may have regarding adjustments to your treatment plan. WE WILL BE HERE TO PROVIDE SERVICES AS NEEDED. In the event that you and your clinician decide to limit attendance, please know that we will be hosting a daily Educational conference call for all patients beginning Wednesday, 3-18-20 from 1:00-1:30. The calls will take place Monday – Friday at the same time moving forward until further notice. The focus will be on a number of interesting topics related to ongoing management of substance use disorders. The call is not intended to be a dialogue but rather an opportunity to hear from one of our several talented staff members. When you return to the office please provide feedback regarding those presentations you found most intriguing. PLEASE STAY HOME AND DO NOT COME TO THE OFFICE IF YOU ARE NOT FEELING WELL. The toll-free dial in number is 877-434-8069 and the access code is 9877142357#.

I wish you continued health and well-being during this challenging time and THANK YOU FOR CHOOSING ADCARE.

Sincerely,

**David W. Hillis Jr., MS, LMHC, CADC11, LADC1, LCDP, CCDP-D**
